

Forandringsagenter 2021

What is the definition of being a Nordic scout? What can we learn from each other? And how do you start a movement?

Forandringsagenter 2021 is a training course for 16-25-year-old scouts who have ambitions on behalf of themselves and their scout/guide association, and who want a friendly nudge to go forward with their dreams.

The course will revolve around the following 3 themes:

- International inspiration
- Democratic influence
- Scout politics

The course will facilitate a good and safe dialogue and will cover inspirational sessions within the given themes. The main goal is to initiate a network across young Nordic scouts, where you will be able to discuss with others about e.g. the possibilities within your organization, your self-development, how a Nordic community can strengthen you as a scout or guide, and how you can take your scouting or guiding to the next level. Furthermore, the course will provide some insights to the Nordic languages and cultures.

Who can apply for the course?

Everyone between the ages of 16 and 25 years who is a member of a WAGGGS-/WOSM recognized scout association within the Nordic countries (Denmark, Norway, Sweden, Finland, Iceland, the Faroe Islands, and Greenland) can apply for the course. The most important thing is that you are curious to know more about at least one of the above-mentioned themes, and that you are ready to push your ambitions to the next level. It could be simply that you dream of doing some more, being a part of the planning team of a larger camp, becoming a group leader or being curious to know how you can change regulations and resolutions.

Language

In the Nordic countries we are good at communicating with each other in our native languages. Therefore, we invite our participants to use the Nordic languages during the course.

The sessions, however, will be facilitated in English to ensure that everyone gets the same information. It is therefore necessary that you at least understand English, if you participate in the course.

Time and place

Forandringsagenter 2021 starts with a kick-off event on Sunday the 28th of February from 10.00 a.m. to 2.00 p.m. The course itself will begin on Friday the 5th of March at 1.00 p.m. and end on Sunday the 7th of March at 3.00 p.m.

The course will be followed by a mentoring programme (which will run for at least 3 months) plus a follow-up meeting on a weekend-day in August or September (the date is yet to be set).

The course this year will take place online due to the Covid-19 restrictions. You will receive more detailed information and time plans upon application deadline. Seeing as the course takes place online, it is important that you have a computer, a stable internet connection, and headset/earphones, and a microphone available during the time period of the course.

Registration

To register you need to apply to your IC (international commissioner), who will then have to approve your application. Thereafter he/she will provide you with information on how to register for the course. The deadline for registration is Sunday the 21st of February 2021.

Price

The price of the course is DKK 900.00 (around EUR 121.00), which includes course materials, administration, and a badge plus course certificate, which will be sent to you after the course.
